## Re: **Route Change**

Beginning Monday, March 19 elementary students riding the school bus home to the Honey Grove area on the afternoon route will be dropped off at the corner of Almond and Dolbow Way at 3:07 p.m. every day except Wednesdays. On Wednesdays, these students will be dropped off at 2:07 p.m. in the same location. The bus will leave the elementary school and go directly to drop off the Honey Grove area students. Once these students are dropped off, the bus will proceed to the junior high school and high school to pick up students and then continue on the regular route. If you have junior high and high school students riding this route, they will arrive home at the same time as they normally have and with the same bus driver. This change is necessary due to overcrowding of the bus.

Students going home to Honey Grove will load the last bus in line at the elementary staff parking lot. This bus will have a different driver than the morning route.

If you have any questions regarding this change, please contact Bill Taylor, transportation technician at (530) 681-2028.
