Exciting News From Pierce Joint Unified School District: **PJUSD Has Made A System Change That Impacts Your Student(s)**

Dear Family:

Re: Student meal accounts

You are receiving this communication because the district is offering an online service to help you better manage your child's school meal account. You now have the ability to check your child's school meal account balance online, as well as make payments with your Visa, MasterCard, Discover, or American Express.

In addition to helping the school take advantage of the latest technology, this service is a great convenience to you. By utilizing www.EZSchoolPay.com, you will not have to wonder if the check you wrote for meals actually made it to school and your children will be assured that meals will continue uninterrupted. For this service, there is a \$2.50 processing fee.

Features and Options:

- Send payments faster and directly into your child's meal accounts: Payments are credited within 10 minutes.
- Mobile applications: EZSchoolPay is available from your device's app store and are available for iPhone, iPad, and Android devices. Receive alerts of low balances, and make payments for your child's meal account.
- Low Balances: Receive alerts when your child's balance drops below a certain balance.

If you would like to take advantage of any of the features mentioned above, you must create an online account with www.EZSchoolPay.com. Getting started is easy! Visit www.EZSchoolPay.com. The website will guide you to create an account and link your student(s) to the account before entering a credit/payment. You will need the following information:
