

Bus Surveillance Systems:

The Board believes that the use of surveillance systems on school buses will help to deter misconduct and improve discipline, ensure the safety of students and bus drivers, and prevent vandalism. Therefore, surveillance systems may be installed and used on school buses to monitor student behavior while traveling to and from school and school activities.

The Superintendent or designee shall notify students, parents/guardians, and staff that surveillance may occur on any school bus and that the contents of a recording may be a student record and, as such, may be used in student disciplinary proceedings or referred to local law enforcement, as appropriate. In addition, a prominent notice shall be placed in each bus stating that the bus is equipped with a surveillance monitoring system. (excerpt from Pierce JUSD Board Policy 5131.1 – Bus Conduct)
